# **Virtual Spring Benefit & Youth Voice Campaign**

*\* May 28,  
2020*

**At Mikva Challenge, we remain committed to serving young people and educators throughout the challenging realities of COVID-19.**

Student voices and civic engagement are essential now more than ever, and equity is an important value that we continue to bear in mind throughout this crisis. Our work remains grounded in raising youth voices — particularly those most in need — to amplify the challenges they are facing.

The Virtual Spring Benefit & Youth Voice Campaign kicks off the week of April 5, culminates with a virtual event on May 28, 2020, and will be filled with the best part of Mikva's in-person events: Youth Voice!

#### **Audience**

The benefit and communication campaign will engage thousands of members of Mikva's corporate, philanthropic, non-profit, and civic communities in Illinois and beyond.

[Join us, as we celebrate students who are making waves in their communities locally and nationally!](#)
